

Happy 1st Anniversary Cheryl and Dan

A year's geen by since yer weddin'
Fan the veil took aff doon the beach
An' yer Maid o' Honour flew aifter it
Bit the win' kept it aye oot o' reach

Yer twa faim'lies cam' the'gither
Fan the mithers mixed watter wi' san'
Fan ye stood up sis an' said
Ye'd tak' Dan tae be yer man

It taks a fyle tae get accustomed
Tae een anither's wy'es
Bit we hope this year has been
Ane o' nithin' bit highs

As ye heid aff tae the ocean
Or snowboard doon the slopes
Ye'll discuss a' yer mony ambitions
An' share yer thochts an' hopes

For that's fit maks a mairrige
Stan' the test o' time
It's sharin' common goals
An' gi'en the ither yer last dime

So at yer next faim'ly gaitherin'
As ye toast yer first year the'gither
May the rest be as happy as this ane
As ye look tae a future wi' ane anither.
